

1 Describe: Briefly describe the context.

Unsafe behaviour:

Risk:

Target behaviour:

2 Analyse: Imagine the critical situation as a film sequence...

What conditions contributed to the critical situation?

What are the persons involved thinking about?
What are the motives?

What are the typical consequences from such unsafe behaviour?

What is the lesson learned?

3 Develop: Use the Explanatory cards to make safe behaviour easier. Be creative – every idea counts!
